## RIGHT HERE IN BARRE.

Rickert & Wells Guarantee to Refund Money if Hyomel Fails to Cure the Worst Case of Catarrh.

It is no uncommon thing to see a medicine advertised as a "guaranteed cure," but investigation usually shows that the guarantee is made by some unknown firm, hundreds of miles away.

The guarantee, though, that comes with Hyomel is entirely different. It is made by Rickert & Wells, one of the most reliable drug firms in this section. They advertise that if Hyomel does not cure the worst case of catarrh, they will return the money without any question or argument. No business house in Barre has a better reputation for square dealing than Rickert & Wells, and when they guarantee that they will refund the money if Hyomel fails to cure catarrh no one has any question as to the agreement being lived up to, both in the spirit and letter.

Hyomel is very easy and pleasant to use. Just breathe it through the little inhaler that comes with every outfit; every breath will bring recovery so much the nearer. It kills all the germs of catarrral troubles in the air passages of the head, throat and lungs, soothes and heals the irritated mucous membrane and is the only natural cure for catarrh.

The complete outfit costs but one dollar, and extra bottles of Hyomel can be obtained for fifty cents. Do not let a slight catarrral trouble develop into one that may be serious and chronic. Use Hyomel at once, remembering that you run no risk whatever when you try Hyomel on Rickert & Wells' offer of "no cure, no pay."
